## **The surgery has an active Patient Participation Group (PPG) –**

The Purpose of a PPG is to give patients and practice staff the opportunity to meet and discuss topics of mutual interest.

A Patient Participation Group (PPG) is a group of patients, carers and GP practice staff who meet to discuss practice issues and patient experience to improve the service.

### **PPGs are good for practice staff because:**

- GPs and staff can work with patients to plan services which best meet the needs of the people who use those services.
- They can provide help and advice for patients on non-medical or social care issues.
- Patients can help the practice to meet its targets and objectives.
- GPs and staff have an opportunity to share their ideas with patients.
- They get closer to their community – even more important as GPs take on increasing responsibility for spending more of the NHS budget to plan and buy health services for local people.

### **PPGs are good for patients because:**

- They encourage patients to be more responsible for their own health.
- Patients know more about their GP practice and its staff.
- Patients can have a say on any plans to change their family doctor services.
- Communication between patients and practice staff improves.

- Patients have a chance to make suggestions and ask questions.
- Local people can raise money to improve the facilities at their GP surgery.

**Are you interested in joining the Practice Participation Group**

Yes       No

**If you are interested in joining the PPG, please e-mail the practice at: [brewoodsurgery@nhs.net](mailto:brewoodsurgery@nhs.net) who can pass on your contact details to the current PPG Chair.**

**Summary Care Record (Please refer to additional information sheets)**

- Yes I would like a Summary Care Record** – you do not need to do anything and a Summary Care Record will be created for you.
- Undecided** - enclosed is an opt out form. Please complete the form and hand it to a member of the GP practice staff within 12 weeks. If you do nothing, after this time, we will assume that you are happy with these changes and create a Summary Care Record for you.
- No I do not want a Summary Care Record** – enclosed is an opt out form. Please complete the form and hand it to a member of the GP practice staff.

#### What does it mean if I DO NOT have a Summary Care Record?

NHS healthcare staff caring for you may not be aware of your current medications, allergies you suffer from and any bad reactions to medicines you have had, in order to treat you safely in an emergency.

Your records will stay as they are now with information being shared by letter, email, fax or phone.

If you have any questions, or if you want to discuss your choices, please:

- phone the Summary Care Record Information Line on 0300 123 3020;
- contact your local Patient Advice Liaison Service (PALS); or
- contact your GP practice.
